RENEWED PETITION UNDER 37 C.F.R. §1.137(a)

Sir:

This renewed Petition is filed in view of the Decision on Petition dated June 14, 2005.

The instant renewed petition incorporates the remarks and attachments of applicants' earlier Petition filed April 29, 2005.

CERTIFICATE OF MAILING UNDER 37 C.F.R. §1.8(a)

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Commissioner for Patents, P.O. Box 1450 Alexandria, Virginia 22313-1450, on June 20, 2005.

Dated: June 20, 2005

Marvin Bressler

The earlier Petition was dismissed based on the failure to submit the complete fee, set forth at 37 C.F.R. § 1.17(l), to revive an unavoidably abandoned application. The fee accompanying applicants' earlier filed Petition was \$130. The instant remittance of \$370 meets the requirement of 37 C.F.R. § 1.17(l), which requires a Petition under 37 C.F.R. § 1.137(a) to be accompanied by a fee of \$500.

Applicants point out, contrary to the statement in the Dismissal, that authorization to charge any deficient fees to a Deposit Account was indeed provided. Attention is directed to applicants' transmittal letter accompanying the earlier Petition where authorization to charge Deposit Account No. 19-1013/SSMP for any additional fee was provided.

Applicants request that the \$500 fee be rescinded on the ground that the evidence provided in the earlier Petition supports their contention that the Petition is properly filed under 37 C.F.R. § 1.181.

The present Renewed Petition is filed less than two months from the June 14, 2005 mailing date of the Decision on Petition under 37 C.F.R. § 1.137(a).

Respectfully submitted,

Marvin Bressler
